

# I Can't Stop Feeling

Queensberry

I never thought that  
we would ever come to this  
You always said that  
we were build to last  
I thought that we were  
meant to be together 'til the end,  
my friend.

Now you prove me wrong,  
stumbling in your acting  
Tellin' me that we've grown apart.

No, i don't wanna let you go,  
I will do it all the same,  
but you know I can't stop feeling.  
I will make it easier,  
so I will say whatever you wanna hear,  
but I can't stop feeling.

I got there all my things  
and favorite books,  
Alone with all the memories of you.

Cause I will always love you,  
after all the said and done.  
You run.  
I'll be over here  
in case you wanna see me.  
I realize that we're meant to be.

No, i don't wanna let you go,  
I will do it all the same,  
but you know I can't stop feeling.  
I will make it easier,  
so I will say whatever you wanna hear,  
but I can't stop feeling

(No, i don't wanna let you go. I don't wanna let you go.)

Now you prove me wrong,  
stumbling in your acting  
Tellin' me that we've grown apart.

Cause, I don't wanna let you go,  
I will do it all the same,  
but you know I can't stop feeling.

No, i don't wanna let you go,  
I will do it all the same,  
but you know I can't stop feeling.  
I will make it easier,  
so I will say whatever you wanna hear,  
but I can't stop feeling

No, i don't wanna let you go,  
I will do it all the same,  
but you know I can't stop feeling.

I will make it easier,  
so I will say whatever you wanna hear,  
but I can't stop feeling  
but i can't stop feeling
