Howl

Queensrÿche

I don't know what's right.
There' something about it ... doesn't feel too right.
I try letting go. Cough up the anger before
my fright begins to show.
They say walk away.
There'll be another day.
Walk away, just walk away.
Oh, I can't believe it, it's a snake eye roll!
Pay the man. Pay the man in full.

If I say the words ... would it bring a smile or turn bad
luck around?
For the superstitious kind
who can't jeopardize or empathize when you're in to deep

to make it to the other side...can't walk away. Always
another day.

They say walk away.
There'll be another day.
Walk away, just walk away.
Oh, I can't believe it, another snake eye roll
Pay the man. Pay the man in full.

Night after night I'm...I'm ready.
I'm ready.
I lay awake and I see their faces.
I'm ready, ready ... I'm going to howl.
