

7th Heaven

QUIN

Oh, welcome to Neverland
Where your wish is my command
I'll take you back where you started, in
In your galactic garden and I
I just want you to take your time here
I need your presence and all the right gears
I need you soakin' up in the sun
To get your waterfalls overunnin'
And in time, you will be free as I-I-I am
I-I-I am
I-I-in time and in time
You will be free as I-I-I am
I-I-I, I-I am

Let it go t-t-to the floor
Let, let, let it drip (Drip, drip)
Make you whole again
You better let it out
In the ground, I will let it show
Then look at what I found, yeah

La la la, la la la
La la, la la love, love
Heaven, bring me home, oh
I found love
La la la, la la la
La la la, la la la, love
Heaven, bring me home, oh
I found love

The battle is said and done
We opened up and we won
It hurt at first, but that's just how we learn
And yo, I saw your wings
I got your back and I'll light your path
When the shadows are creepin' up in the dark
You know they don't stand a chance against my heart, oh

Just let it go
Oh, oh, oh, to the floor (Oh, oh)
You gotta let it drip (Oh, oh)
If you wanna, you wanna make you whole again (Oh, oh)
You gotta let it out (Yeah)
I put it in the ground, yeah
You gotta let it show
You better tell 'em look at what we found, found

La la la, la la la
La la la, la la la la, love, it's all good
Baby, I forgive, forgive ya
La la la, la la la
La la la, la la la, love, it's all good
Baby, the war is won to Heaven

La la la, la la la
La la la, la la love, love
Heaven, bring me home, oh

I found love
La la la, la la la
La la la, la la love, love
Heaven, bring me home, ooh, oh
I found love

La la la, la la la
La la la, la la love, love
Heaven, bring me home
Heaven, bring me home
Heaven, bring me home
Heaven, bring me home
Heaven, bring me home
