

# COCONUT LEMONADE

QUIÑ

Summertime  
And the livings easy, now  
Take a ride  
Take a lemonade on ice

I'm too hot  
(Make it rain)  
I'm too hot  
Wet my flame  
I'm too hot  
(Make it icy)  
I'm too hot  
(Lemonade)

Hi...  
Just make it cry

Let me float  
Let me commandeer your boat  
Let me take you overboard  
We are  
We are the elements of love

Let me float  
Let me commandeer your boat  
Let me take you overboard  
We are  
We are the elements of love

I'm too hot  
(Make it rain)  
I'm too hot  
(Send a wav)  
I'm too hot  
(Cool me down)  
I'm too hot  
Baby, look at me now

Hi...  
Just make it cry

Holy water  
Make it rain  
Make it icy  
Like lemonade  
Holy water  
Wet my flame  
Cool me down  
Baby, look at me now
