QUIÑ

All of this is new  
Meet me after school  
Meet me by the pool  
In the cut  
I ain't ever kissed  
But I will wit ya  
So what's up  
We ain't gotta rush  
I just gotta crush on ya

I love how we do it  
We be hangin out  
We be breakin rules  
In the cut  
I don't really kiss  
But I will wit ya  
So what's up  
We ain't gotta rush  
I just gotta crush on ya

I gotta know...  
Yeah, yeah

I gotta know know know...  
I gotta know, like right now  
Is this a phase, a daze, for days  
Or just something to do?  
I just gotta crush on you...

I gotta know, I gotta know, like right now  
Is this a phase, a daze for days, or just something to do  
Yeah I just got a crush on you...

(I'm on you...)
