

Remind Me

QUIÑ

(Da dada da oh)
(High)
(Da dada da oh)
(High)
I can recall a certain magic in your eyes
I'm under your spell
Each time that you appear (hey)
A kiss so passionate that has me mesmerized
I fall more in love
Each time that you are near (hey)

Starlight
Star bright
Your love shines near or far
Just like the brightest star
Baby
Sweet things you do
(Yougoo goo-goo doot-doot-doot oh)
It sets my heart aglow
I'm done with you tonight (night now)
They remind me
Don't let me go
I'm lucky I'm fallin'
In love with you darlin'
Remind me how many times?
I'm lucky I'm fallin' (oh)
(High)
(Say ooh)
(Da dada da oh)
(High)
(Da dada da oh)
(High)

You hold me close
Your whispers soft and low
Those three little words
That mean so much to me (yeah)
You [?] how to make my feelings show
You know we're just like a song babe
In perfect harmony (ya-ya-yuh)

Sending you forget me nots (ya-ya-yuh)
To help me to remember
Baby please forget not (ya-ya-yuh)
I want you to remember your reminded
You whisper something in me
Touch me hold me
Don't let me go (high high)
(Remind me)
That magic in your eyes it went right through me
I'm hypnotized (high high)
