

WHO AM I

QUIN

Like a butterfly
Would you got me flying
High up in the sky

Like a butterfly
Would you got me flying
High up in the sky

Thought it was over, but it's over now
(It's over now)
Put you on my time machine
Let it take you to another realm to me
I don't wanna scare you now
I mean it every time I come around yeah
I just gotta break it down
Who am I? Who am I to have ya?

And you, you get me gone
I know I'm in love cause I've been rolling with ya
Now, baby, I'll never go
I won't ever roll unless I'm rolling with ya
Forget your diamonds and pearls
They just don't add up to the way I'm loving ya
Can't help it, you got me good
I know I'm in love cause I've been rollin with ya

Who am I? Who am I?

Who am I? Who am I?
Who am I? Who am I, I?
It does it ever cross your mind?
It does it ever cross your mind? Youh
It does it ever cross your mind?
Look, I know we'll be just fine
But I could leave at anytime
But I won't leave it all behind
Cause I will never leave your side
It does it ever cross your mind
That you could get it everytime
That you will always be all mine
Hey girl I know we'll be just fine

And you, you get me gone
I know I'm in love cause I've been rolling with ya
Now, baby, I'll never go
I won't ever roll unless I'm rolling with ya
Forget your diamonds and pearls
They just don't add up to the way I'm loving in ya
Can't help it, you got me good
I know I'm in love cause I've been rollin with ya

Who am I? Who am I?
Oh you know I promise forever
B, when we go, we go together, baby
I think about it like all day
After once or twice made it a habit, baby
But that she do it my way, yeah, oh

Know you're crying cause you're my baby
Been holding you down, you know I'm crazy
Oh you know I promise forever
B, when we go, we go together

Like a butterfly
Would you got me flying
High up in the sky

Like a butterfly
Would you got me flying
High up in the sky

Like a butterfly
