Quicksand

Turn it around  
Unfix the fix  
You've already made  
Too many promises  
To keep on like this

Unfix the fix  
To go on like this

Everyday  
You're shot, you're shot, you're shot, you're shot  
Everyday  
Like a stranger to the earth

The big secret of  
Dealing with people  
That you're just sick of

Refrain  
Reframe

Everyday  
You're shot, you're shot, you're shot, you're shot  
Everyday  
Like a stranger to the earth
