

## Inversion

### Quicksand

Distant populations going nowhere  
So far away from us, you wouldn't know where  
Opposite of you, opposite of me  
Generations leveled and taken by the sea

Inversion

10 thousand saints who haven't got a chance  
Invisible people in a sacred expanse  
What is it with you? What is it with me?  
Distant populations you never even see

Out of sight, out of mind  
Willingly blind

Inversion  
So far away from us  
So far away from us  
So far away from us  
So far away from us
