

# Spoken Through Clouds

Quicksand

I've been working on myself  
And it's going really well  
Hopefully I'm gonna push my demons  
But you can never tell

How do you think it feels  
When your truth verse mine reveals

A reverie of life  
All you what you loved  
Stuck here in this body on earth

How do you think it feels  
How do you think it feels  
Really

A reverie of life  
Hopefully return  
Stuck here in this body on earth
