

# Hoochie Coochie Man

Quicksilver Messenger Service

Gypsy told my momma  
Before I was born  
You gotta boy child coming woman  
Going to be a son of a bitch  
Going to make all the women  
Moan and shout  
The world wanna know  
What it's all about

Because I'm here  
And everybody knows I am  
I'm your hoochie coochie man  
Everybody knows I am

You know I gotta black cat's backbone  
Got the mojo too  
I have been down to Louisiana  
Gotta big kind of condo loo  
I'm going to take all you women  
Lead you by the hand  
World's going to know  
I'm your hoochie coochie man

Cause I am  
Everybody knows I am  
I'm your hoochie coochie man  
Everybody knows I am

On the 7th hour  
Of the 7th day  
Of the 7th month  
Of the 7th year  
Seven doctors say  
That boy was born for good luck, ohwee  
But I just don't give a hoot

Cause I'm here  
Everybody knows I am  
I'm your hoochie coochie man  
Everybody knows I am
