

Worryin' Shoes

Quicksilver Messenger Service

Worry worry worry
All I ever gots a worry mind
Worry worry worry
All I gots a worry mind
There's so much trouble in the world
I'm worrying all the time

Worry worry worry
All I ever do is sing the blues
Worry worry worry
All I ever do is sing the blues
Worry worry baby
And I'm wearing my worryin' shoes

Worry worry worry woman
I don't know what I'm gonna do
Worry worry baby
I don't know what I'm gonna do
And I worry worry baby
Ahh, I'm still in love with you

All of my friends call me crazy
Acting the way that I do
I can't help myself
I'm still in love with you

Worry baby
Worry is all I ever do
And I worry worry mama
Ahh, I'm still in love with you

Worry worry worry baby
All I ever gots the blues
Worry worry worry
All I ever gots the blues
There's so much trouble in my life
And I'm wearing my worryin' shoes
