

It's a Shame

Quietdrive

It's a shame. It's a shame. It's a shame. It's a shame
That you're going
Cause I wanted to feel what its like with your hands on my stomach

It's a shame
Let it go
Cause I want you to feel and I want you to know
It's a shame
Let it go
Cause I want you to feel and I want you to know

Can you feel it honey?
A Cinderella night
A stab at life together
We'll get the feeling right
Got a one way sign for a one track mind Let it go

I don't know. I don't know. I don't know. where you think that you're going
Cause there's nowhere to hide and I know that you're thinking of running

It's a shame
Let it go
Cause I want you to feel and I want you to know
It's a shame
Let it go
Cause I want you to feel and I want you to know

Can you feel it honey?
A Cinderella night
A stab at life together
We'll get the feeling right

But I'll never let it happen
I said I'd never do it again
And again
Got a one way sign for a one track mind Let it go

Can you feel it honey?
A Cinderella night
A stab at life together
We'll get the feeling right

But I'll never let it happen
I said I'd never do it again
And again

It's a shame
Let it go
Cause I want you to feel and I want you to know
It's a shame
Let it go
Cause I want you to feel and I want you to know
It's a shame
That you ran so hard that you hide in vain
It's a shame. It's a shame. It's a shame
