

## If You Pay I Sing

Quimby

Jesus made a miracle  
Jesus made a miracle  
Jesus made my bottle walk

My day has come,  
I've gotta go  
but I still have

a song to show

a song that makes

your bottle go  
I've gotta fly

when a banjo rings  
But my maker gave me

hands not wings  
So I've gotta fly with drinks

It's easier than

you would think  
to sip the drink

just sip the drink  
If you pay

I try to sing anything  
I'll try to drink anything
