DJ Chose

Ayy, I'm out my body

All this water on my neck, lil' bitch, be cautious  
Jewelry clean, all my shit real, don't need no polish  
Long way from sleepin' on floors in them projects  
My shit flawless, I'm out my body  
Gang, this lil' bitch I want, she bad, she a goddess  
She said, "You a star," said, "I'm not, I'm being modest"  
Said, "I wanna fuck, and that's all just all, I'm being honest"  
I ain't on no molly, I'm just out my body

Ayy, pretty bitch be on some stupid shit, she don't know what to do with me  
And hoes be on that foolishness when they look at my jewelry  
You said you was my dawg, but bringing up the shit you do for me  
I can't tweet about no smoke, these niggas know its in the roof with me  
Hotbox the whip, I got her chewing me, she do it fluently  
I take her home and do the foolery, I beat it brutally  
Seem like mama and my fans the only ones that keep it true with me  
I kept it real so long they tried abusing me, but ain't no using me  
And we slangin' all them choppas  
You can get stepped on in my new Balenciaga  
You don't wanna step wrong, holler, bro and 'em at yo' collar  
And I put some Teflon on my .9 like Iguodala

All this water on my neck, lil' bitch, be cautious  
Jewelry clean, all my shit real, don't need no polish  
Long way from sleepin' on floors in them projects  
My shit flawless, I'm out my body  
Gang, this lil' bitch I want, she bad, she a goddess  
She said, "You a star," said, "I'm not, I'm being modest"  
Said, "I wanna fuck, and that's all just all, I'm being honest"  
I ain't on no molly, I'm just out my body
