

Baby, Come to Me

Quincy Jones

Thinking Back In Time
When love was only in the mind
I Realise
Ain't no second chance
you got to hold onto romance
Don't let it slid

There's a special kinda magic on the air
When you find another heart that needs to share

Baby Come to Me
Let me put my arms around you
This was meant to be
And I'm all so glad I Found you
Need you everyday
Gotta have your love around me
Baby always stay
Cause I Can't got back to living without you

Spending every dime
To keep you talking on the line
That's how it was
And all those walks together
Out in any kinda weather
Just Because

There's a brand new way at looking at your life
When you know that love
Is Standing by your side

Baby Come to Me
Let me put my arms around you
This was meant to be
And I'm all so glad I Found you
Need you everyday
Gotta have your love around me
Baby always stay
Cause I Can't got back to living without you

The Night can be cold
There's a chill to every to evening
when your all alone

Don't talk anymore
Cause you know that I'll be here
To Keep you warm

Oh Darling Keep me warm

Baby Come to Me
Let me put my arms around you
This was meant to be
And I'm all so glad I Found you
Need you everyday
Gotta have your love around me
Baby always stay
Cause I Can't got back to living without you
