

If I Ever Lose This Heaven

Quincy Jones

If you're foolin', only foolin'
All I ask is "Why?"
If you're playin', all I'm sayin'
Is feelings sure collide
If you're lyin', keep on lyin'
Don't tell the truth, don't you dare
You can't drop me, 'cause baby you still got me
After takin' me way up there
Way up there

Oh,
If I ever lose this heaven
If I ever, ever lose this heaven
Oh, I'll never be the same

Oh,
If I ever lose this heaven
If I ever, ever lose this heaven
Oh, I'll never be the same

When you're kind, extra kind
Then suddenly, oh baby get crossed
You're so moody, you get to me
And I can't turn you off
You're fascinating, much more fascinating
Than the dark side of the moon
You're so exciting, hey baby I'm re-writing
This book of love called "You"
Yes it's you

Oh,
If I ever lose this heaven
If I ever, ever lose this heaven
Oh, I'll never be the same

Oh,
If I ever lose this heaven
If I ever, ever lose this heaven
Oh, I'll never be the same

Oh,
If I ever lose this heaven.... (fade)
