I Don't Care

Quincy Punx

I don't care what you do I'm not gonna do it I don't like you Well you can't be what you love I know that you wont get far

You're gonna die You're gonna die You're gonna die One day

I see your faces you say I know that you are just play One day I'll see The real you That'll be the day you're through

You're gonna die You're gonna die You're gonna die One day

One, two, fuck you Me at you it's war Not gonna take your shit no more One day I'll get revenge That'll be your end

You're gonna die You're gonna die You're gonna die One day

Well I don't care Well I don't care Well I don't care
