

## touch tank

quinnie

Canceled a hot hipster threesome for you  
'Cause I preach of freedom, but you're a fucking great excuse  
Plus I'd rather get naked and swim in your blow-up pool  
And dry our dolphin bodies off and question your tattoos

'Cause he's so pretty when he goes down on me  
Gold-skinned eager baby, blue shirt out the laundry  
He tells me he's gentle when he wants to be  
So I think he wants to be gentle with me

It's such a short drive to get to the touch tank  
To you, deep sea pearl, my soft manta ray (Manta ray)  
Tender two fingers to touch the display  
I used to dive deep 'til I got splashed in the face

He's so pretty when he goes down on me  
Gold-skinned eager baby, blue shirt out the laundry  
He tells me he's gentle when he wants to be  
So I think he wants to be gentle with me

You took my breath away  
So now I can't suck in my stomach around you anymore  
We're too old to live with our parents  
Do you wanna wake up to me every morning?  
Every morning  
Every morning  
I'm swimming into you  
I'll tumble to the ocean in a parachute  
I am swimming into you  
I'll tumble to the ocean

He's so pretty when he goes down on me  
Gold-skinned eager baby, blue shirt out the laundry  
He tells me he's gentle when he wants to be  
So I think he wants to be gentle with me
