

Roller Coaster

Quorthon

I was the straw to which you hung on
I came to enlighten your silly life as far as I can see
I taught you everything I know
Still you're stupid as before so far as I can see

Life is like a roller coaster hang on pretty tight
Up'n down'n wrong'n right now hang on for your life

I had you sense the major thrill
I elevated you from filth it was there for all to see
I had you accepted I got you right but bet your ass there was
A lot I had to sacrifice and still I hurt and bleed

Life is like...

IT'S OK

Hear me say it's ok there just is no other way
I believe and strongly feel some things just aren't meant to be

All the time in our lives something somewhere draws a line
I believe in time you'll see sometimes some things are best let
be

You may find between the lines lotsa things you missed first ti
me
But that's ok now hear me say we all learn from our mistakes

Yes I'll be all right
Yes I think I'll be all right
I hope I'll be all right
Yes I wish I'll be all right
It's ok

Come this far it's who we are and what and how that takes us f
ar
So just proceed leave history behind but make sure your hands a
re clean

Halt for a while now would you try to change things given one m
ore try
Sure I know the level is low but never fail and you'll never kn
ow

You may find between the lines...
Yes I'll be all right...
All the time in our lives...
You may find between the lines...
Yes I'll be all right...
