

Cheap Talk

Queen Herby

Say you want some peace, but you make war (Make war)
Problem is you reap what you pay for (Pay for)
Life could be a dream, but you can't afford (Can't afford)
You be talkin' cheap

Got your mouth a runnin', but you're poppin' lip for nothin
Always gunnin', always comin' with the cheap talk (Cheap talk)
Got your mouth a runnin', but you're poppin' lip for nothin
Losin' bags, you be talkin' cheap (Cheap, cheap)
Got your mouth a runnin', but you're poppin' lip for nothin
Always gunnin', always comin' with the cheap talk (Cheap talk)
Got your mouth a runnin', but you're poppin' lip for nothin
Losin' bags, you be talkin' cheap (Cheap, cheap)

Well, what Susie says of Sally sayin' more about herself
If that shit not up my alley, to that bitch, I say farewell
Really wanna spit that?
Better get a tic tac
Bitches be addicted (What)
Gettin' in your business (No good)
She wanna, uh

Stop your bag, that gossip is a cock block
Spread like hot sauce 'til you got no taste buds
Can't be mad, you did that to yourself, love, uh
'Cause you be talkin' cheap

Got your mouth a runnin', but you're poppin' lip for nothin (What?)
Always gunnin', always comin' with the cheap talk (Why? Cheap talk)
Got your mouth a runnin', but you're poppin' lip for nothin
Losin' bags, you be talkin' cheap (Ooh, I'm tired, cheap, cheap)
Got your mouth a runnin', but you're poppin' lip for nothin
Always gunnin', always comin' with the cheap talk (Cheap talk)
Got your mouth a runnin', but you're poppin' lip for nothin
Losin' bags, you be talkin' cheap (Cheap, cheap)

I been keepin' to myself, ridin' high, swervin' haters
Heavy streamin', doin' well, keepin' pie on my table
I don't wanna chit chat (No money)
I be chasin' big racks (Big money)
You be speakin' no facts (What)
You can have that shit back (Bologna)
Don't let her, uh

Stop your bag, that gossip is a cock block
Spread like hot sauce 'til you got no taste buds
Can't be mad, you did that to yourself, love, uh
'Cause you be talkin' cheap (Ha)

Got your mouth a runnin', but you're poppin' lip for nothin (Ooh)
Always gunnin', always comin' with the cheap talk (Cheap talk)
Got your mouth a runnin', but you're poppin' lip for nothin
Losin' bags, you be talkin' cheap (Come on, come on, cheap, cheap)
Got your mouth a runnin', but you're poppin' lip for nothin
Always gunnin', always comin' with the cheap talk (Cheap talk)
Got your mouth a runnin', but you're poppin' lip for nothin (Ayy)
