

Faster

Queen Herby

No, oh, oh, oh, oh, oh
Oh-oh, oh-oh, oh

Bitch, hold my wig, I wanna go faster
I came to win, I know what I'm after
And if I trip, no major disaster
Rip out the page and start a new chapter
Faster, faster, I wanna go faster
Faster, faster, I wanna go

Like a virgin, I came
Way too quickly into fame
Bitch, I tried the charade
Way too serious for me
I got back in my lane
Told 'em, "Love, you keep the change"
Bitch, I'm back in this thing
Kickin' ass and takin' names, ayy
Speakin' of the hoes in the back (Woo, woo)
Even though you said I was trash (Woo, woo)
Now at least we know where you're at (Woo, woo)
Screamin' all the words to my track

Ayy, I'm too focused on the race
I let go because the pain never more than you can take, in this motherfucker

Bitch, hold my wig, I wanna go faster (I wanna go)
I came to win (I came)
I know what I'm after (I know what I want)
And if I trip, no major disaster (No major disaster, 'saster)
Rip out the page and start a new chapter
Faster, faster, I wanna go faster (I wanna go faster, yeah)
Faster, faster, I wanna go (I wanna go)

Bitch, I do what I want, but do you know what that means?
Got a new attitude, on my grind consistently
Discipline, paid my dues, and upgrade my system speeds
Always lookin' for ways to be a better human being
I've been wearin' so many hats (So many, woo, woo)
Didn't have the time to unpack (No time, woo, woo)
I'm just gettin' back on the track (On the track, woo, woo)
Wavin' at your ass when I pass (Woo, woo)

Ayy, I'm too focused on the race
I let go because the pain never more than you can take, in this motherfucker
In this motherfucker, in this motherfucker
In this muh-muh-muh-
In this motherfucker, in this motherfucker
In this motherfucker
In this muh-muh-muh-
In this motherfucker, bitch

Bitch, hold my wig, I wanna go faster (I wanna go faster)
I came to win (I came)
I know what I'm after (I know what I'm after, yeah, yeah)
And if I trip, no major disaster
Rip out the page and start a new chapter (Ooh yeah, yeah, yeah)

Faster, faster, I wanna go faster (I wanna go faster, yeah)
Faster, faster, I wanna go faster (I wanna go faster, yeah)
Faster, faster, I wanna go faster (I wanna go faster, yeah)
Faster, faster, I wanna go faster (I wanna go faster, yeah)
Faster, faster, I wanna go faster (I wanna go faster, yeah)

La-la, la-la

I wanna go faster

Faster, faster

La-la, la-la

I wanna go faster, I wanna go faster

I wanna go fast, fast, fast, fast, fast, fast, fast, fast
