Qveen Herby

You put some on it?
Pew, well take it off...

Been a good girl, real good girl
But a bad bitch in the dark
Been a good girl, real good girl
But a bad bitch in the dark
Sip, sip, bitch, move
Get your own fuckin' tea, why you all up on me?
Sip, sip, bitch, move
Get your own fuckin' tea, why you all up on me?

Honey and some cream, candied up like a Moschino
Up and down my feed, I need you like a mosquito
All my bitches bad, got no shortage, we don't need you
Fuckin' up the energy when you breeze through

And you leave me no option now, how you turnin' me cold
Oh you really on nonsense now better leave it alone
Are you learnin' your lessons now? All that glitter ain't gold?
Are you counting your blessings now?

Sip, sip, bitch, move
Get your own fuckin' tea, why you all up on me?
Sip, sip, bitch, move
Get your own fuckin' tea, why you all up on me?

Get our own fuckin' sauce, I'm only fuckin' with a boss
You got big ends, big D, big blue never take a loss
Runnin' circles 'round your nigga mind
Goddamn, baby, I'm exhausted
Better make sure the house insured, got me freek-a-leekin' like a faucet
Drip, splash
Real titty, real ass though, you ain't know that's a fact hoe
Touch and squeeze, throw it back, pro (big facts)
Had the boys swimming backstroke (big facts)
Real bitch with the cash flow (uh huh)
All these boys on my (brr), you the only one I let smash, though

Been a good girl, real good girl
But a bad bitch in the dark
Been a good girl, been a good girl
Been a bad bitch from the start
Sip, sip, bitch, move
Get your own fuckin' tea, why you all up on me?
Sip, sip, bitch, move
Get your own fuckin' tea, why you all up on me?

Ooh, throw the bitch in a bottle
Ooh, throw the bottle in the ocean
Ooh, hatin' hoes get the potion
Ooh, pinkies up when we pourin'
Ooh, throw the bitch in a bottle
Ooh, throw the bottle in the ocean
Ooh, hatin' hoes get the potion
Ooh, pinkies up when we pourin'
