

MIRROR MIRROR

Queen Herby

Mirror, mirror on the wall (Ooh)
Who's the baddest bitch of all? (Ooh)
Mirror, mirror, remind me, please (Ooh)
Angels watchin' over me (Yeah, yeah, yeah)
Poison apples all around (Ooh)
Take a bite and take it down (Ooh)
Bitch, I'm back and laughin' now (Ooh)
Allow me to adjust my crown (Yeah, yeah, yeah)

You know what? I think I been too eager
Used to try too hard
But that karma been my teacher (Teacher)
You know what? My higher self's a baddie
You should meet her (Hey, guys)
We be rollin' tag team
Rappin' on your speakers (Ooh, ooh, ooh, ooh)

You know I'm doin' what I need
Doin' what I please, movin' like breeze
Honey like bees, money like trees
Dita Von Teese
Feelin' so fine, takin' my time
Agin' like wine, watch a bitch shine
Get on my vibe, this is your sign

Mirror, mirror on the wall (Ooh)
Who's the baddest bitch of all? (Ooh) Yeah

People love to hate a girl (Why?)
I don't take it personal (Nope)
Only a reflection of
How you feel about yourself (-bout yourself)
Boy, you need to get some help (Bye)
Put that on your mental health
I do what I want, besides (Yep)
Whatever my heart decides (Yep)
You can never take that
Go and get your own damn life (Bye)
I'll be out here living mine (Ay, ay)

Baby, you know I'm doin' what I need
Doin' what I please, movin' like breeze
Honey like bees (Bees), money like trees (Trees)
Dita Von Teese
Feelin' so fine (Fine), takin' my time (Time)
Agin' like wine, watch a bitch shine (Shine)
