

# WE GOT THIS

Queen Herby

Damn, girl, damn, girl  
Tell me where you been, girl, been, girl  
You been actin' brand-new  
Like your toes is in the sand, girl  
You tan, girl  
Did you get a brand-new life? (New life)  
Did you settle all your fights? (Your fights)  
Did you let it go like "Frozen"? (Like "Frozen")  
Never givin' up, keep goin' (Keep goin')

Yeah, I'm the one you talkin' 'bout, bitch  
I'm the one  
I been so devoted you would think I'm a nun  
This is my confession, in my truth got it bad  
I be living life like it's the only one I have  
Damn, I can be Venus, Serena  
I been filling seats, sell out the arenas  
Big scenes means you was meant for big things  
So, come and vibe out  
Take a ride I'm a lit train

Bitch, we got this  
I'ma sit back and enjoy the process  
I don't know what the plot is  
It's a collab with the higher goddess  
Bitch, we got this  
Been a few times that I was a hot mess  
See, at least I'm honest  
Right before the dawn, gotta face the darkness

Damn, girl, damn, girl  
Tell me where you been, girl, been, girl  
You been actin' brand-new  
Like your toes is in the sand, girl  
You tan, girl  
Did you get a brand-new life? (New life)  
Did you settle all your fights? (Your fights)  
Did you let it go like "Frozen"? (Like "Frozen")  
Never givin' up, keep goin' (Keep goin')

You deserve ocean views and caviar (Yeah)  
PCH cruise and building your catalogue  
And memories filled with love and light  
So when the haters comin' at you with some bull  
Just give them the matador (Uh)  
Olé! Olé!  
Give up on your dreams? (Pshh)  
No way, no way  
You done did your shadow work  
Rose up from the dirt, spread your roots  
And your wings all over the Mother Earth, yeah  
Yeah, you done been reborn and this your new life (A new life)  
Runnin' up that green under blue skies (Blue skies)  
Yeah, built yourself up from the ground  
So, can't nobody break you down  
Planted them seeds full of money trees  
Water yourself in abundance

Flow from all around

Damn, girl, damn, girl  
Tell me where you been, girl, been, girl  
You been actin' brand-new  
Like your toes is in the sand, girl  
You tan, girl  
Did you get a brand-new life? (New life)  
Did you settle all your fights? (Your fights)  
Did you let it go like "Frozen"? (Like "Frozen")  
Never givin' up, keep goin' (Keep goin')

Baby, I know, I know, I know, I know  
I know we got  
I know, I know, I know, I know  
I know we got this  
I know, I know, I know, I know, I know, I know  
I know
