Let me ask you one thing
Do you think perfection exists?
Even if it's a little awkward harmony
That's quite awesome as it is

Someone might talk about me
But put such a rudeness back where it belongs
I respect their tastes but it won't be easy
To push me away the way I am

Air on the d-string dancing on the stage
It's okay with discords would it be a problem
Even if everyone has a crush on me I don't know
The rainbow melody flies in the sky

(Yeah-yeah) This is who I am too, it's who I am
Do you want to know about me the way I am
(Yeah-yeah) Whatever I do, it's who I am, it's who I am
Listen to my Discord

The dice has been thrown
Now it's before my eyes my turn

Even if I'm a little brazen would you please let it pass
Game changer making a small fuss

Not everyone can love me
But I'm not disappointed
It's hard to be humble but it won't be easy
To hate me the way I am

Air on the d-string dancing on the stage
It's okay with discords would it be a problem
Even if everyone has a crush on me I don't know
The rainbow melody in the sky

Actually I was a little nervous, my heart flutters
I want to listen over and over now
Tell me I'm your favorite

Air on the d-string dancing on the stage
It's okay with discords would it be a problem
Even if everyone has a crush on me I don't know
The rainbow melody flies in the sky
