

# Hate Speech

**R.A. the Rugged Man**

I'm Rachael Robbins, in tonight's news we'll talk about hate speech

Prehistoric animal, hairy beast, a bloody ape, I'll bite  
Came out the cave white, the Canaanite, I'll take your wife and lay the pipe  
And if I ain't offend you, I ain't prob'ly say it right  
I'm like Big L in heaven with the MAC-11 rapin' Christ  
I make atheists beg to be forgiven and listen to Christians  
I get Five-Percenter and white supremacists switchin' positions  
I put the fear of God in Christopher Hitchens  
Put feminist bitches in kitchens and make vegans live off of chicken and chitlins  
Got a redhead kingpin pumpin' hottie hobby  
If she got a sloppy body, get my bitch some birth control from Hobby Lobby  
I'm a fat American, I call football soccer  
I give a weakling a wedgie and shove a nerd in his locker  
I discipline these obscene teens, I beat 'em with belts  
I smack you with my hard cock on your forehead and leave welts  
It ain't hate, folks, take notes, I make rape jokes  
With no apologies or fake quotes, and no scapegoats  
Hate speech

It's the home of the brave, where we all run free  
Are we just a wet vagina hole of a country?  
C-cunt, cunt, c-cunt, c-cunt-ry? (say it)  
Cunt, cunt, c-cunt, cunt-cunt-ry?  
Don't say this, don't say that  
It's hateful!  
Don't say this, don't say that  
It-it's hateful!  
Cunt, c-cunt, c-cunt, c-c-cunt-ry?  
Wait, that's the c-word  
I don't care

Yo, I burn flags, I grab my dick during national anthems  
I'll fat-shame a fat kid and blame his fat f\*ck parents  
I shame sluts for bein' sluts, I use the word retard  
I'll teach this wet vagina hole of a nation to be hard  
Tell my psychologist I'm droppin' Scientologist knowledge  
While flyin' on the cosmic rocket ship, not into politics  
I'm shovin' cock in college kids until they vomit jizz  
Impersonate a cop 'n' shove my cocked Glock in your esophagus  
And then I stop-and-frisk every white European colonist  
And stomp an Amish bitch, I'm spittin' visions Nostradamus missed  
I take a room full of ballerinas and I teach 'em how to Dougie  
I tell a chubby girl she's fat and tell a ugly girl she ugly  
I'm overseas spreadin' STDs to OPPs  
I get Mahatma Gandhi robbin' old ladies for their groceries  
I get Muslims quotin' my gross poetry of mostly sleaze  
And get the pope shovin' rosary beads in your ovaries  
I barely ever put my dick away, hit a chick a day  
I make my gay friends eat a chicken sandwich at Chick-fil-A  
Far as gunplay, I put the R.A. in the NRA  
Losin' fans and bein' hated? Pssh, that's a regular day  
Hate speech

It's the home of the brave, where we all run free  
Are we just a wet vagina hole of a country?

C-cunt, cunt, c-cunt, c-cunt-ry? (say it)  
Cunt, cunt, c-cunt, cunt-cunt-ry?  
Don't say this, don't say that  
It's hateful!  
Don't say this, don't say that  
It-it's hateful!  
Cunt, c-cunt, c-cunt, c-c-cunt-ry?  
Wait, that's the c-word  
I don't care

Yo, I wear fur coats while doin' experiments, animal testin'  
I have holy water for saliva, I'll give your vaginal a blessin'  
I'll leave you more confused than a half black klan member  
Transgender with a bad temper that was beaten as a kid with an antenna  
Call me misogynist, I met a fan and she stopped to cop a flick  
She was a gothic chick, I took her home, she started gobblin' dick  
She stripped and took a topless pic, I put on a boxin' flick  
I started slobbin' the clit and f\*cked her to the Paula album by Robin Thick  
e  
Let the youth fight their own battles  
And deal with their own bullies  
Let the obstacles give them strength  
Instead of raisin' em as pussies  
I smack society nerds with adjectives and adverbs  
You wanna ban words that you think are bad words?  
That's backwards, hate speech

It's the home of the brave, where we all run free  
Are we just a wet vagina hole of a country?  
C-cunt, cunt, c-cunt, c-cunt-ry? (say it)  
Cunt, cunt, c-cunt, cunt-cunt-ry?  
Don't say this, don't say that  
It's hateful!  
Don't say this, don't say that  
It-it's hateful!  
Cunt, c-cunt, c-cunt, c-c-cunt-ry?  
Wait, that's the c-word  
I don't care

The Rugged Man should be censored  
Not just the song, the whole person  
I wish he would die a slow, painful death  
No, you know what? He's living his death on Earth right now  
He's in Hell, this man should be in Hell, he's horrible  
He is financially ruined, he's emotionally ruined  
Someone should reach down his neck and grab his dick and pull it up through  
his eyeball  
He should be killed
