

Imaginary Air

Rüfüs Du Sol

Feel imaginary air
And I'll feel like everyone was there
If you're real I'm waiting for you there
But I'm here, unconsciously aware
Feel imaginary air
And I'll feel like everyone was there
If you're real I'm waiting for you there
But I'm here, unconsciously aware

Your loss is your loss is your loss
My loss is your loss is everyone's
Your heart is breaking, it's your heart
My heart is taking everyone's
Your heart is breaking, it's your heart
Our heart is faking everyone's
Your heart is breaking, it's your heart
My heart is taken

Feel imaginary air
And I'll feel like everyone was there
If you're real I'm waiting for you there
But I'm here, unconsciously aware
