

See You Again

Rüfüs Du Sol

Doves flying high on a breeze
I wanna see you again
Strangers that dance on the street
I wanna see you again
Oh no, what happened to me
Life got away from me
Life got away

But a lot just changed
I know better than yesterday
I will find my way closer to you
But a lot just changed
I know better than yesterday
I will find my way closer to you
I wanna see you again

Kids flying kites in the wind
I wanna see you again
People with smiles on their face
I wanna see you again
Oh no, what happened to me
Life got away from me
Life got away

But a lot just changed
I know better than yesterday
I will find my way closer to you
But a lot just changed
I know better than yesterday
I will find my way closer to you
I wanna see you again

I wanna see you again
I wanna see you again
I wanna see you again
I wanna see you again
I wanna see you again

But a lot just changed
I know better than yesterday
I will find my way closer to you
But a lot just changed
I know better than yesterday
I will find my way closer to you
I wanna see you again
