

Hey Mama

R.I.O.

Hey Mama
I'm a little bit scared and a little bit lonely
And I wanna
Wanna chase my luck, wanna finally grow up
But I, I'm still trying to figure out whats right, Mama
Coz I'm a little bit scared and a little bit lonely

I get a little bit lonely
Get a little too lonely sometimes
Get a little bit lonely
Get a little bit lonely Mama

I get a little too lonely
I get a little bit lonely sometimes
Get a little bit lonely
Get a little too lonely Mama

I swipe to the right but I don't feel it
Now I'm drunk and I'm staring at the sea
Got a thousand friends found them on the internet
Hey Mama
I get scared and lonely sometimes

I get a little bit lonely
Get a little too lonely sometimes
Get a little bit lonely
Get a little bit lonely Mama

I get a little too lonely
I get a little bit lonely sometimes
Get a little bit lonely
Get a little too lonely Mama
