

# The Sign

R.I.O.

I just wanna feel you lovin  
No you know its true

Don't be afraid  
I know your heart is her but its all gonna be okay  
Swipe to the right and baby take chance on me  
I'll be your light out scene, the night leading the way  
So what you say  
(Baby girl)

Oooooo...  
You know  
You don't have to be alone  
Staring at your phone  
I'm right here waiting  
Oooooo...

You know  
You got to let it show  
So pick up your phone  
Aaa hoo hoo  
Oooooo...

Just give me your sign  
To come to you  
And make it alright  
Aaa hoo hoo  
Oooooo...

Just give me your sign  
So me and you  
Light up the night  
Aaa hoo hoo  
Oooooo...

Just give me a sign

Just give me a sign

Baby know  
We don't have to rush if you wanna take it slow  
I promise I won't break your heart like the one's before  
I give you all my love and then on later more  
That's what I'm for  
(Need you baby)

Oooooo...  
You know  
You don't have to be alone  
So pick up your phone  
Aaa hoo hoo  
Oooooo...

Just give me a sign  
To come to you  
And make it alright (make it alright)  
Aaa hoo hoo
