R. Kelly

Baby, I'm so glad you're over here  
Now I get to show you all the things  
That I been wanting to show you for such a long time  
Don't say nuthin'

Picture this you and me in the kitchen babe, on the counter  
Feeding each other fruits babe  
Straight from there walk into the bedroom babe  
I touch your hair and then you turn around and say what's on yo  
ur mind  
And girl tonight we'll be making sweet love

[1] - Girl tonight we'll make sweet love  
Until the rain comes falling down on you and me  
All of these things and etcetera etcetera etcetera  
Wanna kiss you places you want me to  
Promise girl that I'll do all of these things  
And etcetera etcetera etcetera

Yo, yo, yo, yo, yo, yo, yo, yo  
Doing you pretty much all night long babe  
'Till I hear you screaming my name babe  
In the pool you and me skinny dippin darlin' Kelly's rules  
No playing hard to get now tell me what the deal cuz  
Girl tonight we'll be making sweet love

Put on some clothes and lets go to the IHOP, baby  
(Let's go to the IHOP babe)  
No, no, no (Baby we just made love)  
No matter how good the food may taste  
(No matter how the food may taste)  
I'm still thinking about your body baby, yes I am  
(It's your body I'm thinking of)
