

# I Believe

R. Kelly

In small towns, and big cities  
We came together  
As democrats, republicans and independents  
To stand up and say that we are  
One nation, we are one people  
And out time for change has come!

Hey! Hey! Woah! Hey! Hey!

I believe, I believe, I believe  
Ohh I

When the mountain seem to high (high, high)  
And you dont have the courage nor strength to climb  
And the road you're on wont end  
But still you run, though you cannot see the finish line  
And dark clouds are over you  
Your skies no longer blue  
But you marched on straight ahead  
Somehow you made it through  
Got to the mountain  
They left a path for me  
Your victory made history and now

I believe, I believe, I believe  
Ohh I

When it felt like you were weak  
And couldnt fight no more (fight no more)  
On the ropes and it seemed like you was gonna run out of breath (run out of  
breath)  
When the world was on your shoulder  
And the walls were in your way  
You leaped and made it over  
Through it all you kept the faith  
With hope you set as free,  
You showed us how to dream  
And now we can lift our voices and forever sing  
Now's the time to look ahead  
And thank our heros of the past  
And celebrate this victory, lets raise the flag cause

I believe, I believe, I believe,  
Ohh I

And when they tried to keep you down  
You kept up your head  
Never loosing sight

You believed in what was right  
You endured to the end  
Walked through the strongest wind  
The storms over and a new day begins  
And when our hope was dying  
You bought as healing  
And now I got something, to tell my children

I believe!!, I believe, I believe,  
Ohh I believe, I believe, I believe,  
Ohh I believe, I believe, I believe,  
Ohh I believe, I believe, I believe,

Yeah

I believe!!, I believe, I believe,  
Yeah, yeah  
Oh I believe, I believe, I believe

I believe that a change is gonna come  
Yes it will, yes it will  
See I believe in the future  
That a change is coming to America  
So stand up, stand up, stand up  
Stand up, stand up, stand up  
Lift every voice and sing  
Hey!

That the soldiers are coming home, yeah  
That it wont be long  
That a change is gonna come  
Say it  
I believe
