

I Just Want To Thank You

R. Kelly

Yeah
Ya ya ya ya ya
Yeah
Boom Boom Boom
Yeah
Ya ya ya ya ya

I was down on my luck one night
Then I saw her face
When she make it wind to the drums
All of my problems erased
Your body is paradise
Tonight I'm escaping
Like a shot of tequila
Her love is intoxicating
Oh the way she put it on me I feel like I owe the girl
If i lost it all I still be the richest man in the world
Cause in my sky you're the only star
It's your song you know who you are

And I just want to thank you
And I just want to thank you
And I just want to thank you
Just want to thank you
For giving me that work
(Herbal time)
For giving me that work
(Herbal time)
For giving me that work
(Herbal time)
For giving me that work
(Herbal time)
Girl I love it when you
(Wind wind)
Put it on me now
(Wind wind)
Oh I love it when you
(Wind wind)
Put it on me now
(Wind wind)

Girl you can come in mister lover
Come and come be my lover
Love it when you dance to Calypso
Dance to Reggae and Calypso
Everything nice with your hips
Baby girl I want your flows on
Call me when you want the big stuff
Girl I love your bubble butt

Give me that girl
(Boom boom, Wind wind)
Baby girl just
(Boom boom, Wind wind)
Love the wine girl
(Boom boom, Wind wind)
Gimme gimme that

(Boom boom, Wind wind)
One more time girl
Baby girl just
Girl I love the way you

(Herbal time)

Ya ya ya ya ya ya ya
