

Alive

R3hab

I-I-I, I had a vision
Of a world in harmony
I saw the li-igh-ight, burning above us
While we lived our lives in peace
The ti-i-ide, is slowly turning
It's a new reality
You and I-I-I-I, we'll build a kingdom
Just as far as the eye can see

Ooh-ooh-ooh-ooh-ooh
I'm alive, I'm alive, I'm alive
Ooh-ooh-ooh-ooh-ooh
I've gotta live like,
I've gotta live like I'm never gonna die

I've gotta live like,
I've gotta live like,
I've gotta live like I'm never gonna die
Gotta live like I'm never gonna die

I-I-I, I found a purpose
And a place to call my home
Now we're side by side, ten million people
And we'll never be alone

Ooh-ooh-ooh-ooh-ooh
I'm alive, I'm alive, I'm alive
Ooh-ooh-ooh-ooh-ooh
I've gotta live like,
I've gotta live like I'm never gonna die

I've gotta live like,
I've gotta live like,
I've gotta live like I'm never gonna die

Ooh-ooh-ooh-ooh-ooh
I'm alive, I'm alive, I'm alive
Ooh-ooh-ooh-ooh-ooh
I've gotta live like I'm never gonna die
