

Are You Happy Now

R3hab

Are you happy now?
Waiting out
Paradise
What a lie

There's a million reasons why
But no answer left in sight
No one's wrong and no one's right
Why'd you take so long to cry?

I'm falling deeper
The walls get nearer
I know every word that you said
Without a meaning can't help the feeling
Is this where you left me to stay?

So are you happy now?
Waiting out
Paradise
What a lie
So are you happy now?
Waiting out
Paradise
What a lie
So are you happy now?

Ooh ooh oh ooh
Are you happy now?
Ooh ooh oh ooh
Are you happy now?

I'll be dancing by myself
Even though it hurts like hell
Put on a smile, no one can tell
But you got my heart to break

I'm falling deeper
The walls get nearer
I know every word that you said
Without a meaning can't help the feeling
Is this where you left me to stay?

So are you happy now?
Waiting out
Paradise
What a lie
So are you happy now?
Waiting out
Paradise
What a lie
So are you happy now?

Ooh ooh oh ooh
Are you happy now?
Ooh ooh oh ooh
Are you happy now?
