

## Bad!

R3hab

Shawty, heard you bad... word? So profane  
Somethin' like a bad, word, want your love  
Call me when you can, girl  
Goin' up, goin' down, in and out, turn around  
Shawty, heard you bad... word? So profane  
Somethin' like a bad, word, want your love  
Call me when you can, girl  
Goin' up, goin' down, in and out, turn around  
Love you the way you movin' now  
I might be insane, yeah  
But I love the pain, yeah  
Feel it in the brain, yeah-ah  
Realize she just want me hit it right

In and out, turn around  
Love you the way you movin' now  
I might be insane, yeah  
But I love the pain, yeah  
Feel it in the brain, yeah-ah
