

# Drip Drip

R3hab

Drip drip drip  
Make that money stack it thick  
Make em stutter make em trip  
Move that body (you betta move that body)

Drip drip drip  
Make that money stack it thick  
Make em stutter make em trip  
Move that body, move that move that body

Drip drip drip  
Make that money stack it thick  
Make em stutter make em trip  
Move that body (you betta move that body)

Three two one  
Let's go!

Yeah you betta move that body

Drip drip drip  
That's my rhythm  
That's my sounds  
Take my feet up off the ground  
Move that body, move that move that body

Drip drip drip  
Watch them shiver  
Wear my crown  
Pull that trigger  
Cool it down  
Move that body (Yeah you betta move that body)

Yeah you betta move that body

Drip drip drip  
Make that money stack it thick  
Make em stutter make em trip  
Move that body, move that move that body

Drip drip drip  
Make that money stack it thick  
Make em stutter make em trip  
Move that body (you betta move that body)

Three two one  
Let's go!

Yeah you betta move that body
