R3hab

Well, well, you better run from me  
You better hit the road  
You better up and leave  
Don't get too close  
'Cause I'm a rolling stone  
And I keep rolling on  
You better run from me  
Before I take your soul

If I go, let me go  
Don't you follow me, let me go  
I will let you down, let me go  
Even if your heart can't take it light me up in flames  
Light me up in

Light me up  
Light me up  
Light me up

You better run from me  
You better say goodbye  
And even if I plead  
Don't waste your time  
'Cause I'm a broken home  
You're better off alone  
You better run from me  
Before I take your soul

If I go, let me go  
Don't you follow me, let me go  
I will let you down, let me go  
Even if your heart can't take it light me up in flames  
Light me up in

Light me up  
Light me up  
Light me up  
Light me up in flames  
Light me up  
Light me up  
Light me up  
Light me up in flames
