

Stars Align

R3hab

Can I go back to the days that I had you
Back to one more night like we're used to
I miss every minute we've been through
From the hardest part to the best you

Make the stars align
Words cannot describe
Don't need no more goodbyes
You leave me hypnotized

Make the stars align
I need you here tonight
Don't need no more goodbyes
You leave me hypnotized

One last time like
Da-da-da, la-la-la-da
Da-la-la-da, da-la-la-la-da
Da-la-la-da, da-la-la-la-da
Da-la-la-da, da-la-la-la-da

(Make the stars align)

When our hands are holding each other
I can't see myself with another
I will go through fire and water
Turn our whole life back into color

Make the stars align
Words cannot describe
Don't need no more goodbyes
You leave me hypnotized

Make the stars align
I need you here tonight
Don't need no more goodbyes
You leave me hypnotized

One last time like
Da-da-da, la-la-la-da
(Da-la-la-da, da-la-la-la-da)
Da-la-la-da, da-la-la-la-da
Da-la-la-da, da-la-la-la-da

Make the stars align
Words cannot describe
Don't no need no more goodbyes
You leave me hypnotized

Make the stars align
I need you here tonight
Don't need no more goodbyes
You leave me hypnotized

One last time like
Da-da-da, la-la-la-da
Da-la-la-da, da-la-la-la-da

Da-la-la-da, da-la-la-la-da
Da-la-la-da, da-la-la-la-da

(Make the stars align)
