R3hab

Tell me it's okay, tell me it's okay  
Tell me it's okay, tell me it's okay  
Tell me it's okay, tell me it's okay  
Tell me it's okay, tell me it's okay

Tell me it's okay  
Tell, tell, tell me it's okay  
Tell me it's okay  
Tell, tell, tell me it's okay  
Tell me it's okay  
Tell, tell, tell me it's okay  
Tell me it's okay  
Tell, tell, tell me it's okay

When you touch me I want you more than anybody  
For you I gotta run our bodies  
How could I push up, I could resist, yeah  
For you I gotta run a body

Tell me it's okay  
Tell, tell, tell me it's okay  
Tell me it's okay  
Tell, tell, tell me it's okay  
Tell me it's okay  
Tell, tell, tell me it's okay  
Tell me it's okay  
Tell, tell, tell me it's okay
