

# Where's Billy?

R3hab

Ahh, ah ah ah, ah-a  
Where's Billy?  
Ahh, ah ah ah, ah-a  
Where's Billy? (Where's Billy?)

Everybody in my car  
We don't care we turn it up  
Nobody can make us stop  
Where's Billy?

Everybody in my car  
We don't need a credit card  
We get anything we want  
Where's Billy? (Where's Billy?)

Everybody in my car  
We don't care we turn it up  
Nobody can make us stop  
Where's Billy?

Everybody in my car  
We don't need a credit card  
We get anything we want  
Where's Billy?

Where's Billy?

Where's Billy?

Oh I'm on my way to the bar  
Phone's up I need to charge  
While you wait sippin' cigars  
But hey don't go too far
