

## Rather Be

R5

We're a thousand miles from comfort  
We have travelled land and sea  
But as long as you are with me  
There's no place I'd rather be

I would wait forever  
Exulted in the scene  
As long as I am with you  
My heart continues to beat

With every step we take  
Kyoto to the bay  
Strolling so casually

We're different and the same  
Gave you another name  
Switch up the batteries

If you gave me a chance  
I would take it  
It's a shot in the dark  
But I'll make it  
Know with all of your heart  
You can change it  
When I am with you  
There's no place I'd rather be

No no no no no  
No place I'd rather be  
No no no no no  
No place I'd rather be  
No no no no no  
No place I'd rather be

When I am with you  
There's no place I'd rather be

We are out on a mission  
To find our in the peace  
Make it everlasting  
So nothing's incomplete

I would wait forever  
Sacred simplicity  
Make it everlasting  
There's no place I'd rather be

With every step we take  
Kyoto to the bay  
Strolling so casually

We're different and the same  
Gave you another name  
Switch up the batteries

If you gave me a chance  
I would take it

It's a shot in the dark  
But I'll make it  
Know with all of your heart  
You can change it  
When I am with you  
There's no place I'd rather be

No no no no no  
No place I'd rather be  
No no no no no  
No place I'd rather be  
No no no no no  
No place I'd rather be  
When I am with you  
There's no place I'd rather be

Yeah, beeee, oh, hey

If you gave me a chance  
I would take it  
It's a shot in the dark  
But I'll make it  
Know with all of your heart  
You can change it  
When I am with you  
There's no place I'd rather be

No no no no no  
No place I'd rather be  
No no no no no  
No place I'd rather be  
No no no no no  
No place I'd rather be  
When I am with you  
There's no place I'd rather be

No no no no no  
No place I'd rather be  
No no no no no  
No place I'd rather be  
No no no no no  
No place I'd rather be  
When I am with you  
There's no place I'd rather be
