

Red Velvet

R5

I keep telling 'em too
I keep telling 'em

She likes to make me think that I'm a freak, just for her velvet
All wrapped in between her ivory and I can't help it
Listening to Novocaine, Ocean on repeat again
Oh baby, you were worth the wait, baby, you were worth the wait

(I will drive all night)
When you're wearing velvet, girl
(When you're by my side)
Takes me to another world
(I will drive all night)
Nobody makes me feel this way
Your body makes me feel this way
Nobody makes me feel this way
Feel this way

She's making divs, I'm in her ear and getting overzealous
We're swimming in her velvet, it makes all her neighbors jealous
Listening to Purple Rain, crying over drugs again
Oh baby, you were worth the wait, baby you were worth the wait

(I will drive all night)
When you're wearing velvet, girl (When you're by my side)
Takes me to another world
(I will drive all night)
Nobody makes me feel this way
Your body makes me feel this way
Nobody makes me feel this way (oh)
Feel this way

Let me tell you 'bout my girl, uh
She a boss lady, female dictatorship
She make other models look like tater chips
Ask me if I dig her style, eyes, legs and lips
I'd have to say yes, yes I do and hell yes
Brain amazing, she even dig Hendrix
Hit me in my deep blue, heart beats reckless
In the bedroom, wanna touch her every freckle
I hit her from the bass and I let her scream treble

Nobody makes me feel this way
Feel this way, yeah

Nobody makes me feel this way
Your body makes me feel this way
Nobody makes me feel this way (oh)
Feel this way

Yeah, baby
Listening to Novocaine, Ocean on repeat again
You know you make me feel like a whole new man
Listening to Purple Rain, Prince is on repeat again
Nobody, nobody
Nobody, nobody
