Say You'll Stay

It's summertime, and you are all that's on my mind, everyday
It seems like we, could stay up and talk through the night
Oh what do you say?

Say you'll stay ([R5:] hey-ey)
Heyy ([R5:] Sta-ay)
I just keep on wishing everyday (hey-ey)
Hey ([R5:] Sta-ay)

No More running around, running around
([R5:] No more running around, no no no, no more running around, no no no)
Running around
When I'm around
Just say you'll stay

Ramona's hair, ([Ross:] Ramona's Hair)
She looks so cute in the clothes she wears. ([Ross:] Yep, So Cute Man)
Her lips so sweet ([Ross:] Her lips so sweet)
And when I walk her to the door, I'm thinking
Gee, Just give me one more kiss I'm begging please

Say you'll stay ([R5:] hey-ey)
Heyy ([R5:] Sta-ay)
I just keep on wishing everyday (hey-ey)
Hey ([R5:] Sta-ay)

No More running around, running around
([R5:] No more running around, no no no, no more running around, no no no)
Running around
When I'm Around
Just say you'll stay

([R5:] And who-oo)

Knows, when we are together
We never wanna go, oh-oh
([R5:] And you're not)
For Any kind of weather
I just need to know, to know
That you
You'll be, there
Everytime I need you

Say you'll stay ([R5:] hey-ey)
Hey ([R5:] Sta-ay)
I just keep on wishing everyday (hey-ey)
Hey ([R5:] Sta-ay)

No More running around

Say you'll stay ([R5:] hey-ey)
Hey ([R5:] Sta-ay)
I just keep on wishing everyday (hey-ey)
Hey ([R5:] Sta-ay)

No More running around, running around
([R5:] No more running around, no no no, no more running around, no no no)

Running around
When I'm around
Just say you'll stay
