

We're Alright

R5

Been living in outer space
on permanent holiday
we got wild with Tina Fey
Thought I was McConaughey
Shot fireworks on the roof
Caught fire jumped in the pool on a Saturday afternoon
Sorority honeymoon

(Yeah) Young and hopeless (Yeah)
Oh we know this
We're alright [x4]

We take it a bit too far
Joy riding in rich girls cars we crashed somewhere in central p
ark
Long island lucky charms
Crash parties on private planes
Turn up and then gypsy fake
Yeah maybe we seem insane
reckless in the USA

(Yeah) Young and hopeless (Yeah)
Oh we know this
We're alright [x4]

No we're not gonna ever change
Reckless in the USA
No we're not gonna ever change
Reckless in the USA

We're alright [x4]

No we're not gonna ever change
Reckless in the USA
No we're not gonna ever change
Reckless in the USA
