

Enough

Ra

If I don't think about it
Will it all dissolve before my eyes?
If I don't think about it
Will it stop the endless ebbs and tides?

When we become awake
Will it still hurt too much
To give for givings sake
Or simply just lose touch

Till the fires die in the agony
Will it ever be enough enough enough
When the devil hides in the sanctity
And I know you've had enough enough enough
Enough enough enough

If I don't know about it
Am I still supposed to be afraid?
If I don't need to doubt it
Do I still believe it any...way?

Since you and I are meant to die
Is it alright
If I forget to pray and you
Deny the light

Till the fires die in the agony
Will it ever be enough enough enough
When the devil hides in the sanctity
And I know you've had enough enough enough

I will be the one you know
I will be the one who to watch your spirit rise
In the vacuum of your mind the sound won't echo anymore
Echo anymore

Till the fires die in the agony
Will it ever be enough enough enough
When the devil hides in the sanctity
And I know you've had enough enough enough
