Sweater

RAC

It's been awhile
Since someone else's jokes have made me smile
A little off-colour
But that's all part of your style

You look so good in that sweater boy
And your double cuffed jeans, no you're not like the other guys
Ooh, I'm just sippin' on my white wine
But when I lean in, you smell like vodka and Crystal Light

I wanna know what makes you sad, what's on your mind?
I can't put my finger on you, but that's what I like

(Ooh)
That's what I like
(Ooh)
That's what I like

You look so good in that turtleneck
And your corduroy fit, haircut looks like an accident
You're so hard to read, your cryptic
But when you lean in, we could kiss like the alphabet

I wanna know what makes you sad, what's on your mind?
I can't put my finger on you, but that's what I like

(Ooh)
That's what I like
(Ooh)
That's what I like
(Ooh)
(Ooh)
(Ooh)
(Ooh)

You look so good in that sweater boy
And your double cuffed jeans, no you're not like the other guys
Ooh, I'm just sippin' on my white wine
But when I lean in, you smell like vodka and Crystal Light
