

Together

RAC

I'm taking back the things I said
When you got drunk to meet my friends
You do get a little bit nervous
I like when you're not perfect
'Cause it makes me feel like
I'm the only one who gets to know the real you
And if it's broken, I'm all good knowin'

You and I
Got something unspoken
And if it shattered, it wouldn't matter
You and I
Will put it back together
Back together, get back together
Will put it back together

I know the fight got really bad
You called your mom, I cried again
We do get so fucking mad
But I can't imagine
Turning off the bedroom light and
Trying to fall asleep tonight
Without you
So if it's broken, I'm all good knowin'

You and I
Got something unspoken
And if it shattered, it wouldn't matter
You and I
Will put it back together
Back together, get back together

Will put it back together
Get back together
Will put it back together
Get back together

I know we do our best
But some words are left unsaid
And we don't keep all our promises
Ahh
Ooh

So if it's broken, I'm all good knowin'
You and I got something unspoken
And if it shattered, it wouldn't matter
You and I
Will put it back together
Back together, (Will put it back together), get back together
Let's get back together, get back together
Get back together
Get back together
Will put it back together
Get back together

Back
Get back together

Back
Get back together
Back
Get back together
Back
Get back together
