

Adrenaline

Rachel Chinouriri

You like a challenge
It's hit and miss
But then you thought you'd
Tell me this
Who tried to hurt you?
Contradict
The biggest weapon is a eye roll with a flick

I'm pushing past my adrenaline
(Adrenaline)
I'm something more than just feminine
(Feminine)
I'll give you time like a gentleman
(Gentleman)
You'll make me drop all my Benjamins

Maybe you make me don't want it anymore
And you made me run down, run down
'Til I made it to the floor
We are lovers of '84, lovers in '84
'Cause love was stronger than before in 1984

Words are rolling off my tongue
Yeah, they're bitter to the core
Now it's getting loud, slow it down, not time for an encore
But now you're saying

I'm pushing past my adrenaline
(Adrenaline)
I'm something more than just feminine
(Feminine)
I'll give you time like a gentleman
(Gentleman)
You'll make me drop all my Benjamins

Maybe you make me don't want it anymore
And you made me run down, run down
'Til I made it to the floor
We are lovers of '84, lovers in '84
'Cause love was stronger than before in 1984

Adrenaline
Feminine
A gentleman
I can feel my
Adrenaline
Feminine
I can feel my adrenaline
Gentleman

Maybe you make me don't want it anymore
And you made me run down, run down
'Til I made it to the floor
We are lovers of '84, lovers in '84
'Cause love was stronger than before in 1984
